Oriental Engineering Institutes selected for LITE Program

Both the engineering institutes of Oriental Group, OIST and OCT, have been selected for LITE program of AICTE. From the State of Madhya Pradesh, only six institutes have been selected in the program. From all over India, 136 institutes have got the privilege, out of the total 435 applications, received by the AICTE offce.

Congratulations to the working team of both the Institutes who worked in unison under able mentorship, to realize the objective!

National flag hosting at Oriental Campus.

Independence Day was celebrated by Oriental Group of Institutes with vigor, cheer and enthusiasm. As this year's Independence day was special being the 75 th, the Chief Guest on this gracious occasion, was Air Vice Marshal Dr Pramod Kumar Shrivastava, the Vishishtha Seva Medal (VSM) recipient. NCC inspection, Parade, Rank Distribution and a brief address by the Chief guest and students marked the occasion.

ORIENTAL INSTITUTE OF SCIENCE & TECHNOLOGY

TECHNICAL SECTION

Department of Automobile engineering OIST organized a one week technical training on latest model of Royal Enfield bike from 16 August 2021. Batch of 20 students were trained through online mode, by master trainer of Enfield and the participants were given demonstration of the overhauling / repair / troubleshooting in an interactive session. It was a unique opportunity available for the students of Oriental Group.

The departments of Basic Sciences and Computer Sciences organized a week Faculty Development Program and Eminent Speakers' Talk Series on their core topics respectively, to upgrade the faculty members during lean period. Eminent resource persons made the sessions informative and knowledgeable.

The Pandemic has set a trend of online classes and programs. The faculty and student's knowledge is chiseled through webinars and faculty development programs.

Date	Deptt	Activity	Name of the Expert	Designation and Organization	Topic
07-Aug-21	IT	Webinar by Industry Expert	Mr Rajesh Rai	Senior Software Engineer, Wipro, Bangalore	Django Framework
08-Aug-21	IT	Alumni Talk	Mr. Vishal Sharma	Senior Software Engineer, The Digital Group, Pune	Fullstack Development with Cloud
13-Aug-21	ECE	Webinar by Academia Expert	Dr.S.J. Sugumar	Prof, MVJ College of Engg. Bengaluru, Karnataka	Introduction to Internet Of Things (IOT)
14-Aug-21	ECE	Workshop by Industry Expert	Mr. Pankaj Bhojwani	Founder & Director, Beyond Gravity	Introduction to Aero Modeling (Drones and UAV)
18-Aug-21	ME	Webinar	Prof. Shubham Awasthi	Asst. Prof. GEC Banswara Rajasthan	Role of Additive Manufacturing in Industry 4.0

ORIENTAL COLLEGE OF TECHNOLOGY

ACHIEVEMENT SECTION

13-Aug-21	EX	Hands on training session on How to Create Digital Resume.	Prof. Vaibhav Sharma Assistant Professor Electrical Department
14 Aug-28Aug 21	EX	Two Weeks Online Value Addition Course on ARDUINO.	Prof. Vaibhav Sharma Assistant Professor Electrical Department.

STUDENTS' CORNER

"Photography is a way of feeling, of touching, of loving whatever is caught on film is captured forever… It remembers little things, long after you have forgotten everything." True to this quote, the moments captured by one of our talented students.

Sudhanshu Ranjan, CSE III Sem

ORIENTAL COLLEGE OF MANAGEMENT

TECHNICAL SECTION

Webinars on present market situations

A series of interactive webinar sessions was organised by Oriental MBA, where students came to know about various facts about the industry and also cleared their doubts. Webinar conducted on "Impact of Investment Education on Career" was addressed by Ms. Shruti Gupta, NISM, Empanelled Financial Education Trainer.
Another speaker, an Academia expert, Professor Economics and Trainer at DoPT GOI, Dr. H. B. Gupta, conveyed the situation of current economic environment Post Covid via different facts and figures in expert talk.
In the series, Corporate talk was also organised which was addressed by Corporate Trainer, Consultant and Foreign Language expert Shri Jigar N. Pandya on the topic "Blue Ocean Strategy"

Alumni Talk on Applying Marketing & Sales Skills
An alumnus talk was conducted by the Institute, where Mr. Sanjeet Kumar working in Info Edge (India) Ltd. SUB jeevansathi.com, shared his experience and elaborated how theoretical marketing knowledge is helpful in on-field job roles

STUDENTS' CREATIVITY

The International Day of the World's Indigenous People is observed on 9 August each year to raise awareness and protect the rights of the world's indigenous population. A beautiful artwork showing some traditional, Indigenous tribes has been made by Khyati Gupta, student of 3rdSemester.

ORIENTAL COLLEGE OF PHARMACY

Sapling Plantation on campus

On the upcoming occasion of 75th Independence Day, a sapling plantation drive was carried out on 7 August, 2021 in the medicinal garden of the college premises. Dorector, OCP, Dean Academics, OCP & other staff members of the Institute participated in the drive and planted various trees consisting of medicinal values, which can be beneficial for health.

Webinar on the occasion of World Organ Donation Day

Webinar was conducted for the students of B.Pharm and D.Pharm of the Institute. The motive of the webinar was to make students aware of the significance of organ donation on society. The resource person, Dr. Jai Kriplani (Consultant Nephrologists and Transplantation Specialist, Choitram Hospital and Research Centre, Indore) focused on the topic and cleared various myths of the students on organ donation. The webinar was quite interective.

TRAINING CELL

Four years training is conducted throughout the entire duration of study, to make the students placement ready.

- For the Pre Final year students, mock interviews and company specific assessment tests are being conducted in the current semester.
- For TCS, Capgemini, CTS and Wipro i.e. day 1 recruitment companies, Campus specific training classes are being held.
- TCS digital written qualified students are facing Mock Interviews held by the training department.
- For the second year students, in- house internships on programming and technology are being carried out for 30 hrs, both for OIST and OCT.

PLACEMENT CELL

The ongoing pandemic has not affected the campus placements as online placements are going on for the benefit of the students. The Oriental Group has created a niche in the field of placements.

Companies that conducted placements last fortnight:

TCS (Digital)

Goldman Sachs

COGNIZANT

RAPIDD Technologies

Coding Contest:

Virtusa

Shecodes

ALUMNI TALK

"I got a knack of looking at my subject creatively under the able guidance of faculty members. The classes held instigated my grey cells, to go into practical aspects that facilitated placement. I am happy to look back that I chose Oriental Institute of Science and Technology and the career roadmap was built during these four years ."

"Oriental College of Technology is a place of knowledge and bliss. It has provided me a wonderful environment and opportunity to learn and grow myself in every field. I have not only got the boost for studies but also for extracurricular and co-curricular activities as well. I have got infinite love & support from the faculty members at every step. They always motivated and encouraged me to face the risks and learn new things. I am and will always be thankful to the management and faculty members for making me the person I am today.

Juhi Gaba

"At Oriental MBA, along with studies, I learnt to work hard for accomplishments of my dreams. I learnt to never give up and keep trying hard for whatever one wants in life. I thank my teachers to have provided me the right path of life."

"Oriental College of Pharmacy, Bhopal has been a wonderful and outstanding institution of learning for me. I have learnt many things in OCP, not only related to book, or curriculum but lot of things that no other institution would have taught me about life. It has taught me how to be creative, cool and a good human being. I would like to thank every single faculty from my Institution HOD and all the others who contributed in shaping my career."

THE ORIENTAL SCHOOL

(A unit of Oriental Group of Institutes)

Affiliated to CBSE (Affiliation Number- 1031290)

Importance of 'Amrit Mahotsav'

This year's Independence Day was quite special. Our honorable Prime Minister organized the Amrit Mahotsav program. Amrit Mahotsav commenced on the day of Dandi Yatra.

The Oriental School organized several competitions on this occasion, in order to promote Amrit Mahotsav. Students of Pre-primary decked up like the freedom fighters, spoke famous quotes by the great freedom fighters, sung patriotic songs and performed on various patriotic songs and also crafted things on patriotic theme. The aim of these activities was to develop patriotism and to make them familiar with the freedom movements and freedom fighters.

'Time for Nature' -"Plant a tree, so that the next generation can get air for free"

On Independence Day this year, the School celebrated the program in their own way. Efforts were made to take full care of the conservation of nature. The flags were painted on the seed paper, so that when the paper was inserted into the soil, the seeds were transformed into plants of flowers, herbs and vegetables. The Oriental School took an oath to save, protect and conserve the nature.

RAKSHBANDHAN CELEBRTION

'Rakhi is the thread that binds 2 souls in a bond of joy forever!"

The Pre-Primary toddlers celebrated Raksha Bandhan with immense enthusiasm and joy! They dressed up in traditional attire, made Rakhis for their siblings and thoroughly enjoyed learning about the significance of this special festival. The little hearts understood pretty well that the bond between a brother and a sister is beyond the exchange of thread and gift!

INTERNATIONAL ELEPHANT DAY 2021

Save elephants to save this world. Save elephants to save Mother Earth. Elephants are just to be loved and pampered. Elephants have been the dearest animal to all kids and must be saved. On the occasion of World Elephant Day, the students of grade 1 and 2 of The Oriental School made elephant masks and learnt about protecting elephants.

Wake up!!! It's time to save the cutest animal we all love.

LIFE CYCLE OF BUTTERFLY

"We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty."

Hands-on learning is a form of education in which children learn by doing. Instead of simply listening to the teacher lecturing, here the students of Pre-primary were engaged in the art integrated learning process. They not just learnt about butterflies but also crafted the life cycle of butterfly to comprehend it thoroughly through action.

Here, we explored both the concept and the benefits by creating a craft of the life cycle of a butterfly in grade LKG.
