

### Subject Specialization

S.No	Department of Information Technology
1	Compiler Design
2	Cyber Security
3	Computer Graphics & Multimedia (CGM)
4	Python
6	MATLAB
7	Data Base Management System (DBMS)
8	Cyber Security
	<b>Department of Civil Engineering</b>
1	Transportation Engineering
2	Enviromental Engineering
3	Hydraulics & Water Resources Engineering
	<b>Department of Automobile Engineering</b>
1	Automobile Engineering
	<b>Department of Electrical Engineering</b>
1	BEEE
2	Power Electronics
3	Power Systems
	<b>Department of Computer Science &amp; Engineeirng</b>
1	Advanced Computer Architecture
2	Block Chain Technologies
3	High Performance Computing
4	Managing Innovation and Entrepreneurship
5	Game Theory with Engineering applications
6	Data Science & Analytics
7	Artificial Intelligence & Machine Learning
8	Full stack software engineering
9	Java Programming & Java Script
	<b>Department of Computer Science- Data Science</b>
1	Artificial intelligence
2	data science
3	Design of algorithm
	<b>Department of CSBS</b>
1	Design And Analysis of Algorithms
2	Software Engineering
3	Introduction to Innovation, IP Management & Entrepreneurship
4	Design Thinking
5	Operations Research
	<b>Department of AIML</b>
1	Machine Learning
2	Data Science
3	Python Programming
	<b>Computer Science Engineering (Cyber)</b>
1	Cyber Security Algorithms,

2	Cyber Forensics,
3	Investigations and Laws,
4	Linux
<b>Department of Mechanical Engineering</b>	
1	Engineering Graphics
2	Machine Design
3	CAD/CAM
<b>Department of Mathematics</b>	
1	Data Analytics
2	R programming
3	SPSS, Probability & Statistics
4	Discrete Structure
<b>MBA</b>	
1	Finance
2	Human Resources
3	Banking, marketing
